Dear The Lounge,

I adore anal sex. It feels great and incredibly satisfying and I always insist on taking it up the arse whenever I get a man into bed. The thing I love most of all however, is picking up some young college boy who's a bit green behind the ears and making him give it to me this way. Just seeing the expressions on their faces when I tell them what I want almost makes it worth doing alone.

Brian was the last student I picked up. He and a couple of his mates wolf-whistled me as I walked past a pub they were sitting outside, so I turned on a heel and marched back to confront them.

They were all cocky at first as they waited for me to launch into a tirade against them. I could tell they were just baiting me and that this was the reaction they were hoping for so I chose to play them at their own game.

"You three want to fuck then?" I asked, and they looked at each other in confusion. "Come on then, you get a woman interested, you're not going to back down like a bunch of babies are you?"

Two of them didn't know what to say but Brian tried to call my bluff.

"What do you have in mind?" he asked.

"We all go back to your place and the three of you fuck me three ways at the same time."

Two of the guys immediately excused themselves and headed off with their tails between their legs, but Brian stayed where he

was and sized me up.

"You're full of it. You'd run a mile before you'd let my prick anywhere near you," he said confidently.

"Only one way to find out," I whispered and grabbed the front of his jeans.

He took me up to his hall, checked his roommate was out and locked the door behind us. I immediately pushed him up against the wall and wrapped a leg around his

“ Brian gripped me by the waist and pulled me down onto his cock again and again...”

waist. The pair of us kissed as I ground my pussy into his hard-on and Brian pulled my skirt up around my waist and slipped his hand inside my panties.

"You really are a filthy slut," he said as he pumped his fingers in and out of my juicy warm slot. My honey coated his hand and made my thighs all sticky and wet and I licked all around his ear and as rubbed my buzzing clit.

"Fuck me," I told him, frantically unbuckling his belt and ripping open his jeans. Brian's hot meat pressed against my soft belly and I rubbed it all over my pussy, then slipped it up inside me as we fell onto the bed.

Brian pumped his prick in and out of me as I pinned his shoulders to the mattress and rode on top of him. He was just getting into his stride when I slipped off of his dick and took a hold of it from behind.

"Not like that," I said, then pressed it up against my arsehole. "Like this. Fuck me in the arse."

Brian's face was a picture and I giggled with mischief as I pushed down on his pole until I had the entire length buried between my firm buttocks.

"That feels fucking great," I moaned as I rolled my hips, working his cock ever so slowly in and out of my snug little bum. "Come on, fuck me harder."

Brian gripped me by the waist and pulled me down onto his cock again and again, driving his meat deep inside my bowels. I ground my cunt against him and thrashed my clit with my fingertips until his belly was slick with love juice.

I reached behind and stroked his balls

and Brian began to tense. He thrust into me one last time as I cradled his sticky swollen scrotum in my fingers and held me hard against him as his prick exploded inside me. Great wads of spunk blasted into my bum, filling me up with hot sticky man fat until I felt lovely and warm down below. I pumped him a couple more times, savouring the feeling of his cock mashing all his spunk inside me, and making it leak out all over Brian's shaft and dribble onto my fingers. I sucked each clean in turn, enjoying the look on Brian's face almost as much as the taste of his creamy seed, then strummed my throbbing pussy to orgasm just inches from his face.

Brian said he'd never known a girl as dirty as me. I told him this was nothing; if he'd wanted to see me at my best he should've got his friends to come back too.

Karen, Cambridge.

Georgie's proving a woman with a conscious work ethic.

"I've been happily entertaining all my generous fans at Studio 66, and on my Onlyfans page too. Thank god I can call this work; otherwise, I'd be constantly nipping off to relieve my horny urges every five minutes. I don't think any boss would put up with it, unless they joined me of course."

I know we're not your boss, but we'd be happy to roleplay if you'd like?

"I might take you up on that, it's already been a good 45 minutes of posing."

Has anybody got a tie to hand?

TOTAL RECALL

Dear Total Recall,
Since there's been a halt
in print copies of Club
International, I recently
turned to my own ever-growing
archive (which the wife doesn't seem
to mind; I'm a lucky man!). And
while I was flicking through some
older copies of Club and Club DVD, I
came across this glorious set of Lucy
by the photographer Steve Colby
(Club DVD 7.1). All blonde hair and
big boobs, you can't ask for much
more really, and I don't. So I just
thought I'd write in, in the hope that
Club readers might get to see this
cracking set!
David, Brum.

After one of the office girls moved onto pastures new, we decided to hold some replacement interviews. So, while Natalia Starr was shooting, she decided to test out her secretarial skills at Club HQ.

"Why not? I've always thought it could be fun to work in an office, plus you never know, I might be okay and then you could hire me."

I don't think you'd even need to be good at the job for us to hire you, Natalia.

Easy tiger!
"Actually, it's leopard print."
A woman who knows her spots and stripes I see. Also, Jennifer has quite the bite to go with this knowledge having been in the Adult World for over ten years.

But this British babe has been lording stateside for a many a year now, so does she miss old Blighty? "Sometimes, but the weather is infinitely better over here, plus I'm always popping back to see family and friends."

KIT BAG

Sonos Arc

www.sonos.com

With the steaks high, and with the possibility of another localised lockdown never entirely off the cards, some vital home entertainment is a necessity. So whether your bag is music, gaming, films, or Netflix bingeing, a top-notch sound bar could completely change your home entertainment experience, to the point where you might never see daylight again.

Sonos' first foray into the realms of Dolby Atmos and 3D sound, gets the thumbs up from us, with eight woofers and three tweeters creating a rich wall of sound, this tubular bar really cracks the waves with clear vocalisation from the front, and distant noise feels, well, distant. Comes with a list of connectivity choices, so there shouldn't be any problems there.

Force Barbeque

Everdure by Heston

www.everdurebyheston.com

There's long been a rivalry in the BBQ world, between the advantages of cooking with coals or gas. And like most people, every year when I wheel out my possible metal poisoning contraption, from where it has lain in cobwebbed splendour since the chilling threats of Autumn, I do wonder whether I should switch. I prefer gas, not for the taste, or anything highbrow, but simply because I'm a lazy cook, and poking a load of coals, for however long to get the temperature up, just isn't my bag. So I was pleased to find Heston, the chef of scientific concoctions, has added The Force to his range of cooking must-haves. Stylish with two fast heating burners that can reach up to 350°C (hello, sizzling steak!), cast iron grill with plenty of room, and a thick aluminium hood for heat convection. Available in three stylish colours, that will brighten up any garden.

AER 557

www.aer.store

They're not even road legal, perhaps that's the appeal of them; a whiff of danger. They are, however, convenient, efficient and fast modes of self-reliant transport, which under the current climate is a very appealing set of features. Broadly speaking e-scooters are on the whole unappealing aesthetic wise, but the AER 557, seems to have a certain je ne sais quoi, grace perhaps? But, looks aside, let's talk about capability; designed for

stability, the 557's 20-inch wheels cushion small bumps, and with a wider than the norm, anti-slip bamboo deck, you won't constantly be correcting your foot position, like a teenage skateboarder. Speed-wise your flying at a good 25mph, and with a 20-mile range, it's perfect for getting around town in near elegant style. The clinch could be the price tag at £2199, but it is still cheaper than some of the better e-bikes on the market.

Katie isn't just a pretty face – she's a contender for the brainiest girl ever to grace the pages of Club.

"I'm sure there are smarter," says the PhD student, "but I have to study hard as I know modelling won't last forever. But while it does last, I'll have fun with it. I plan to strip off, fuck men and women and get paid all the way for it!"

Now that's really smart...

He Loves me in stockings and heels

Wicked

WICKED
ALL-SEX

Starring: Britney Amber, Aaliyah Love, Alexa Grace, Ella Nova, Elsa Jean.

Verdict: FYes, that's rather a long title – we had to go some to squish the title in above. Honestly, what

are these porno companies thinking of? Mind you, once you get past the overlong title and think about what it means, you can't really argue with the premise, because while the girls on display in this flick would all look pretty irresistible even without their stockings and heels one, once they have kitted up they are a wonder to behold! Alexa Grace kicks things off, lounging about in her boudoir admiring her stocking-clad pins before her fella rolls up and, well, loves her. There's nothing too outlandish about the shagging, but he does look like the cat that got the cream after he's popped over

her turn. Cover babe Britney slinks down the stairs for her fella and treats him to a very satisfactory bunk-up on the sofa, her old school furry snizz finally getting a proper appearance when he drops his load all over it. To be honest, with an asset like that it seems a shame not to have seen a bit more of it, but there you go. There's a bit more fur to come, too, with Aaliyah and Ella both sporting bushes of sorts, making this a nicely old-fashioned and rather glamorous offering for couples. There's

plenty more to come, with cute Asian Jade and MILF Sofie completing the set

Turning Nympho Private

Starring: Natalia Starr, Scarlett Knight, Henessy, Amber Deen, Francesca di Caprio.

Synopsis: "Life is wonderful for noble country girl Natalie

Starr, she has spent her years being raised as the perfect little innocent daughter that her parents always wanted, heir to the family mansion and fortune, what more could she possibly desire? However, in her adolescence, Natalie has become curious, curious about life, sex, boys, girls, her desires have grown, and she wishes to explore her full sexuality. Repressed for years Natalie is now ready to let loose as she lets all those sexual desires come to fruition. This Nympho takes every opportunity to get horny, whether it's masturbating in the back

of a taxi over her crush Amber Deen, lusting after Francesca di Caprio in a

wild DP, or seducing her best friend Scarlett Knight for a night of lesbian passion. Even when she catches her faithful maid Henessy fucking her boyfriend, she can't help but join in. Natalie Starr is completely unchained so don't miss this nymphomaniac's journey of full sexual discovery in Private Gold, Turning Nympho."

Courtesy of Privatetably one of the most eye-pleasing splashers to have come onto the scene in recent times, and this flick showcases her talents nicely. The plot

sees Natalia playing a rather snooty young innocent who's been brought up in the lap of luxury, only to realise what she really wants to do is fuck all and sundry. This journey begins with a lesbo tumble with Scarlett, and the girls really feast on each other's juicy bits before Natalia wedges a finger and then a vibe up her pal's bum. There's also a cracking threesome that will raise more than an eyebrow

Ella had a fun old time making her video for this issue's photoshoot, but she kicked up a right old fuss about our British attitudes to censorship.

"I can't believe in 2020 that you can't put me on the top shelf fingering myself in it. It's

ridiculous. I really had to hold back when we were filming this."

Well, you didn't hold back that much...

"Okay, I did get a bit carried away, I just get into my job a bit too much sometimes and really can't help myself!"

Emma
PHOTOS: BB MEDIA

Emma hasn't spent much time in Britain over the last year, ever since landing some big Euro work. It's taken her all over the continent and back. Where stands out?

"Italy, I think," the 26-year-old says. "They just seemed really into English women. We're taller than average, and pale-skinned, so we stand out. The only thing is, I'm not that much into Italian men."

So you're not into chasing types?

"I am, but a bit of space is equally as attractive, as is pair of smooth balls, and so much better to suck. Weirdly, the Dutch seem to be on top of that, the Hungarians less so."

Talkin' Blue

I KNOW WHO YOU FUCKED LAST SUMMER

I went for a camping trip to the Lake District with some friends last summer. There were maybe only another half dozen tents scattered about the woods so the place wasn't crowded.

Just along the shore from us was this gorgeous-looking guy called Dave and his girlfriend Jill. I'd got talking to them both and got really well, but I pined for more than that with Dave. Then one day when we were alone, Dave took me aside and asked if I wanted to come over to his tent that night. I asked him what about his girlfriend but he assured me she wouldn't mind. He and her had a very open relationship.

I was in two minds but by midnight I couldn't resist any longer so I sneaked across to his tent.

"Come in," he said, so I unzipped the flap and went into the darkness. I fell straight into Dave's arms and found he was naked already. I quickly stripped and lay on top of him, kissing and rubbing him all over, before moving down his body to pull his cock into my mouth.

Dave was immense and I wrapped both hands around his meat and wanked him into my face as he stroked me between the legs.

I was so turned-on and that I didn't even notice the second pair of hands on my arse for a few seconds. When I did I almost jumped through the canvas.

"Who's that?" I demanded.

"Relax, it's only Jill," Dave reassured me. At this point Jill turned on a flashlight and gave me a smile. She was naked behind me and

climbing out of her sleeping bag. "Well, I did say we had a very open-relationship, didn't I?" Dave said, wanking his cock in my face. "Come on, try it, you might even enjoy it," he urged me.

Normally I would've run a mile but only a couple of seconds earlier I'd been on the brink of cumming and this interruption had left me deeply frustrated. Jill turned the light off again and began rubbing my bum. I decided to use my imagination to try and think of her as another guy in the blackness and went on with sucking Dave's cock.

Jill pulled my thighs apart and rasped her tongue up along my cunt, turning me on so much that I sank back on her face. Surprisingly, it wasn't the physical contact that was bringing me pleasure, it was the fact that it was another woman splaying my pussy open with her mouth.

Jill flicked her tongue over my clit and rubbed my arsehole with her thumb, leaving me almost delirious with lust, and I mashed Dave's cock into my mouth in response. She slipped a finger inside me and pumped me with it rhythmically and soon I was whacking Dave's cock at the same tempo.

Dave moaned with delight as I pulled on his pole then all of a sudden he arched his back and exploded in my throat. Squirt after squirt of creamy, sticky cum filled my mouth and I lapped it up as Jill lapped me.

This was the most exhilarating thing I'd ever done, though I dreaded to think what my friends, sleeping less than thirty yard away, would've said had they known what I was doing.

Jill turned me around and kissed me on the lips and cum passed between our mouths. We mashed our tongues together and swapped spit and spunk as Dave rubbed his cock all over our faces.

"Can I lick your pussy?" I asked her after we'd both swallowed his load.

"Be my guest," Jill said and laid back with her legs open.

I moved down her body tentatively and stroked her pubes with my fingers. Jill whispered that that felt nice so I tried it with my tongue and heard her moan in response.

I delved my tongue in a little deeper and marvelled at the way her pussy tasted. It was both salty and sweet all, and it oozed in a

way mine did only when I was really excited. I lapped all around her hole and at her pink fleshy innards as Jill stroked my hair and gyrated her hips.

It was so wonderful being this intimate with another woman and I licked her for so long that Dave was hard again before I was finished.

"Cum for me, please cum," I begged her, lashing my tongue over her slot again and again and Dave fucked me urgently from behind. Jill moaned that she was so close and this excited me probably more than her. I clamped my mouth over her hole and started thrashing her clit with my tongue and a few

“Squirt after squirt of creamy, sticky cum filled my mouth and I lapped it up as Jill lapped me”

seconds later she was squirting all over my chin.

Dave pulled his prick from my cunt at that moment and splashed his load all over my back. Jill gathered it all up in her mouth and we kissed again, our mouths full of each others flavours.

I returned to my tent before sun up and swapped addresses with Jill and Dave before they left the next day. They've invited me away with them for a weekend sometime and I can hardly wait to taste Jill's cunt again. *Vicky, Cumbria.*

SPANKING THE MONKEY WRENCH

I've always had this thing about mechanics, I'm not quite sure what it is; maybe it's something to do with liking guys who work with their hands. All I know is that grease monkeys really bring out the dirty girl in me. This would've been only too evident had you seen me the other week.

I'd taken a job at a local garage, helping out up in the office and made friends with all the guys. I hadn't originally intended to do anything about my naughty fantasies, I just liked the feel of the place, but things have a habit of turning out that way when I get

“He held me by the hair and fucked my hot, wet mouth as I fingered my pussy”

carried away.

It all happened like this. It was my first payday and I went out after work to celebrate. A couple of the guys came with me and we all got a little tanked up and I ended up confessing my liking for mechanics. The guys pressed me further so I told them it had always been my fantasy to have sex in a workshop. Norman said he had the keys to the shop and suggested we all went back and had a little party and, because I was drunk, I agreed.

When we got into the workshop, we had a few more drinks, then I told them I wanted to do a strip-tease for them in the headlights of this Jaguar they'd been working on.

They stuck the lights on and the car radio, and I slowly stripped out of my clothes, revealing first my tits and then my little trimmed pussy. It felt so heady and exciting, exposing myself in front of a couple of guys I hardly knew and when they told me to frig myself off in front of them I did this readily.

Norman and David watched me as I played with myself, then they both began to stroke me all over. I smiled up at them as they touched my breasts and then my legs, before Norman stroked his fingers across my little bush.

I moved my hand to give him a clear run at it and he mashed his fingers in and out of my pussy until I was so wet that I dribbled all down the crack of my arse.

“You guys want to fuck me?” I asked, breathlessly.

“Both of us?” David asked, and I nodded. David pulled out his prick and pointed it towards my mouth, while Norman stepped out of his trousers and knelt between my legs.

I took their cocks in my hands and guided them into their respective holes and moaned as they entered me.

Norman boned me hard and deep, holding me by the ankles as he thrust into my cunt again and again, while David straddled my face and fed his cock down my throat. I sucked on it with great enthusiasm, working it and slobbering all over the end as he pinched my nipples stiff.

His cock seeped pre-cum all over my tongue and I lapped it up and swallowed it down, hungry for the full load. I used both hands on his balls and stroked them all over as I tongued his cock and after only a few

short seconds he was cumming in my mouth.

Hot sticky spunk exploded all over the back of my throat and I gulped it down just as fast as he could spill it and kept him there until he was completely spent. I love the taste of semen, it really gets me hot, and I pummelled against Norman's meaty stick in response until I had him twitching his load off inside me.

With two guys' cum in my mouth and pussy, I thrashed myself off with total wanton abandonment until an enormous climax ripped through my pussy and sent waves of tingly pleasure fanning out across my body.

I was more than a little embarrassed about what I'd done the following Monday but Norman and David couldn't have been nicer about it. If I were a cynical person I'd say they were just out for seconds, and I'll tell you what, next gonna get it too.

Julie, Sheffield

SHORT HAND, LONG COCK

My office sent me on a refresher secretarial course recently to help us brush up on a few skills. There were half a dozen of us taking the class and one of the others confessed to having fucked the tutor the week before.

I couldn't really blame her, Mr Turner was gorgeous. Mature, smart, authoritative; just the sort of guy who leaves me wet at the knees! I was very interested to hear about his liking for students.

At the end of the course we had to sit a one-on-one final exam with Mr Turner. We answered the phone, typed a few letters and did a little filing while he attempted to distract us with urgent tasks that needed attending to. I was quite distracted enough by his one-

on-one attention and felt a prickly pleasure between my legs.

I realised that this was my probably last opportunity to screw Mr Turner so I started doing a little distracting of my own whenever he was looking at me.

I crossed and uncrossed my legs, affording him little glimpses of my white lacy panties as he stuttered through his dictation.

He must've known I was doing it on purpose, but we carried on as normal for a few minutes more.

I flopped open my legs completely so that my buiging gusset was on constant show and Mr Turner stared at the little crop of dark pubes that showed through the material.

"Oh excuse me," I said, pretending to suddenly notice. "Whatever must you think of me. You weren't looking were you?"

Mr Turner smiled when he saw my game.

"I was, so keep your legs open and do exactly as I say. Stroke your pussy."

"Mr Turner!" I exclaimed, then after a couple of seconds I started using three fingers on my gusset. "Like this, you mean?"

"That's it, now slip you hand inside"

Again I did as he said and put my hand inside my panties and my fingers inside my cunt. I was saturated and pumping like a drum.

Mr Turner stood up in front of me and I used my other hand to

feel his meat through his trousers. It felt like he had a nice one in there so I pulled down his fly and slipped my hand inside his boxers.

Mr Turner's trousers and pants fell to the floor as I gently pulled on his prick and he shuffled in closer until his tip was touching my ruby red lips.

"What would you like me to do now?" I asked all innocently as he nudged his cock against my face.

"Open your mouth," he ordered, then fed his erection inside my face when I did. He held me by the hair and fucked my hot, wet mouth as I fingered my pussy to foam and after a couple of little twitches I tasted his salty pre-cum as it leaked out across the back of my tongue.

I kicked my panties off and hung my ankles over the arms of the chairs then pulled his

dick from my mouth and rubbed it between my legs.

Mr Turner slipped his wet cock into my even wetter cunt and fucked me hard as he clawed at my tits.

I wrapped my legs around his back and pulled him into me again and again and galloped towards a surging climax.

"Fuck me, fuck me!" I moaned, pulling at his short brown hair.

He drove his cock into me with more and more force, plumbing my depths like never before and suddenly I felt myself spasm around his hard meat.

"I'm cumming," I cried as I felt my loins explode around his cock and I had to bury my head into his shoulder to stop myself from being heard in the corridor outside.

He slammed into me a dozen more times then pulled his prick from my pussy and shoved it into my face. I wanked it into my mouth and a second later he burst all over the back of my throat.

With his cock in my mouth and his balls on my chin, he pumped me full of warm, creamy spunk. I stroked it into my mouth with my fingers and drank everything he gave me until finally he was totally spent.

"I think you've got just what it takes to be a top secretary," he told me as he zipped up his trousers.

"You mean I've passed? That's a shame. I think you should hold me back and make me repeat the course," I suggested, then pulled down my top to reveal my tits. "There are still a few things you've not covered yet."

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

SLICE OF LUCK

This happened to me about a few months ago during the hot spell that just passed. I was playing golf at my local club where I'm something of a regular.

On one particular hole out of bounds is marked by a low garden wall of a large house owned by local gentry. I was about to play my second shot from the fairway when on looking up I caught a glimpse of naked female flesh pass one of the giant windows of the house. I immediately recognised the girl as Jodie, a daughter of the family. I had often seen her around the grounds or climbing in and out of her convertible and on occasionally she had given me a slightly flirtatious smile. She is 5'10" with flowing tousled brown locks of hair that cascaded to just below her shoulders. Her skin is permanently bronzed and her long legs stretch to her peach like arse. Her pert round tits jiggled as she moved past the window once more.

Well it is obviously affected my concentration because my shot was wild and the ball swerved in the air and crashed through the very same window she had passed. Cursing my luck I walked towards the house when the doors swung open with Jodie standing there in her bathrobe looking quite pissed off. Her hair was wet

and water dripped onto her chest and rolled down into her ample tanned cleavage. My cock twitched in my trousers.

"I'm sorry," I said, "I'll pay for any damage."

"You're damn right you'll pay, follow me!" she ordered. Jodie turned and walked towards the huge curved stairway that led in the direction of the window I had broken. We reached the doorway of the room where glass lay shattered on the floor. "Not only have you broken my window, you have ruined my bath time," she said as she held open the bedroom door. The folds of her robe opened more to expose a dark nipple that sat high on a perfectly formed breast, covered with tiny droplets of water. I entered the room filled

"I sank my teeth gently into one full, peachy butt-cheek and then into the other"

with warm sunlight and turned to ask her for something to clear this mess up with. "Do you have a broom," I asked. She must have noticed the bulge in my trousers because her answer stunned me, "seems you have something else to answer for." Her gaze was firmly fixed on my throbbing cock, I gave a smile as she walked over to me. My body trembled with anticipation as she ran both index fingers down my chest and over my hips. Jodie took a small step back and took her hands from my waist to the belt fastening her robe, she eased free the loose knot and let the thick towelling fall to the floor around her slim ankles. Her body was amazing, much better up close than through a distant window, small droplets of water were now free to fall into her cleavage over her breasts and down over her toned stomach across her hips and caress her smooth slender thighs. Her pussy was smooth except for the tinniest circle of neatly trimmed pubic hair just above her clit. I groaned as my now fully hard member tried to force its way out of my pants. Jodie sensed this and pulled me close, skillfully undoing my trousers as she moved I pulled my shirt over

my head as she let my cock sample some fresh air.

"Now its time for you to pay," she whispered and led me to the bed where she turned and kisses me full on the lips while pushing down on my shoulders suggesting that I lick her beautiful pussy. I needed no encouragement and was glad to oblige, tracing kisses over her firm stomach and gathering the drops of water as I moved down her body to her neat beaver. I let my tongue tease around her slit following the smooth contours of her mound.

I spun her around so I could get a proper look

I found my arsehole opened up surprisingly easily to his throbbing cock..."

slid my body over hers and squeezed her tits together and closed my lips over one of her erect nipples.

"Fuck me now, you bastard!" she screamed. "Take me!"

Still sucking her nipples as if they were the last pair on earth, I began to grip her gently by the hair and hooked my other arm under one leg opening the further ready to receive my throbbing cock. With one diving thrust I let her have all seven inches at once and she gasped in appreciation. I ground my hips against hers and rhythmically gave her varying amounts of shaft while she gyrated and arched her back feverishly as she approached orgasm. I fucked harder and deeper as she threw her head back, letting out a scream as a torrent of love juice as she came all over my cock.

Jodie wasn't finished with me yet and no sooner had she finished cumming than she ordered me to fuck her arse. I obeyed, easing my pussy soaked cock into her grateful hole. She cupped my smooth tight balls in her hand as I pounded her from behind fingering her pussy at the same time. I could feel my balls tighten as they got ready to release a hot load into Jodie's butt and she obviously sensed this as she worked her clit on my hand as she too neared her second orgasm. She started to moan louder and louder screaming "I'm cumming, I'm cumming!" as she came encouraging me to spunk. No sooner said than done - I released some hot jets of sticky spunk deep in her arse and onto her back. We collapsed next to each other grinning on the bed. I have seen Jodie a couple of times since then and haven't completed a round of golf!

But you could say I've had a

few hole in ones and I never did pay for that window, not with money anyway.

Joe, Norwich.

SQUADDIE TOTTY

I've never had anything inside my bottom before but I was prepared to do it when I was offered the chance to have a long-held fantasy of mine come true. I'd always wanted to fuck with two guys at the same time but I'd never had the opportunity. Then, just a short

at her arse. I sank my teeth gently into one full peachy butt cheek and then into the other before forcing her to bend at the waist with one hand on her back and the other gripped firmly at her waist, this revealed her lovely tight pink starfish which I flicked my tongue over casing her to let out a grateful moan. "I want your tongue in my cunt," she demanded, and turned around to face me. And at the same time lay back on the bed with her legs spread to reveal a pair of

swollen wet pussy lips. They felt like velvet on my tongue as I closed my mouth over her. I licked and flicked my tongue over her clit while sinking two fingers into her hole as she panted in acknowledgement moving her hips to my rhythm. I worked my tongue over her cunt with expert precision as I held her leg up by the ankle and worked my free hand over her full bronzed tits, being careful not to touch her nipples that I could see were very hard. I could tell she was close to climax so I

while ago, I was in Aldershot on business and I got chatting to a couple of soldiers in a pub. They had such great bodies on them and were both raring to get off with me that I couldn't resist them. I tried to decide which to ask back to my hotel room when they solved my quandary for me and suggested we all went back.

"Me and Gary, do everything together," Frank told me. I was absolutely thrilling at the thought of having two great cocks at my disposal and the three of us stripped down

and got started. They were both hard before their boxers hit the deck and I took both their cocks in my hands and shivered with dirty delight as I masturbated them simultaneously.

"I got dibs on her pussy," Gary told Frank. Frank said that was cool with him; he'd take my arse. Like I said, I'd never had anything in my arse before but the thought of being double-penetrated by two squaddies was too much to resist. I told them that it was my first time and made him promise to be gentle with

me first and Frank said he would.

Gary lay back on the bed and knelt over his waist and slid my pussy down onto his cock. He felt reassuringly big inside me and I fucked him up and down as Frank leaned me forwards.

Frank used a little lube on my bum and poked his fingers into my ring. He was as good as his word and very gently with me. I tried to relax a little more and soon got used to the feeling as I ground my clit down on

“I released some hot jets of sticky spunk deep in her arse...”

Gary's hard shaft.

Frank stroked his stiff rod all over my buttocks and then pressed it against my arsehole. I stopped fucking Gary for a moment so that Frank could push inside, and arched my back as I prepared for a second hard cock to be stuffed into me from behind.

I screwed my eyes tight and braced myself, but found my arsehole opened up surprisingly easily to his throbbing cock. He slipped in the first couple of inches and I had to keep telling myself that I had two guys' cocks in me!

Frank held my cheeks apart and slowly started stroking his shaft into me, penetrating me further and further with every swing of his hips. The more he slid inside me, the bigger he felt. I wailed as he filled me inch by glorious inch and when I felt his flat stomach press against my buttocks, I savoured the moment for all it was worth.

"Fuck me. Come on, fuck my cunt and arse," I told them, so they started to alternate their thrusts.

Frank withdrew a short way then pumped back inside, knocking the breath out of me as he hammered it home. I let out a cry and begged him to do it again, but this time it was Gary's turn and he fucked into my pussy with the same force. Frank then took his turn and plunged his cock back into me and I was awash with pleasure.

"Harder," I demanded. "Fuck me harder."

Frank fucked my arse harder until the sweat was pouring off of me. My heart was racing and my cunt was pounding and gushed all over their balls as I came.

Frank pumped me for a couple more strokes then pulled out and shot a great streak of jizz across my arse, finishing his load in my back as he gasped with delight.

Gary said he wanted to cum in my mouth, so I leapt off and wanked him into my face as fast as I could until his sticky torrent squirted into my mouth, then I swallowed the whole lot down just as fast as I could drink.

I loved getting fucked by two guys at the same time so much I don't know how I'll be able to go back to just one. I guess I'll just have to make sure he always fucks me in the arse as well!

Rebecca, Liverpool.

“That’s all that is missing from this shoot,” asserts babe Kiara, “a big fat dick for me too play with.”

Looking around, we see nobody’s coming forward to this clear and exhilarating hint. Then looking back, we see Kiara staring at us. So, making our excuses of not wanting to disappoint, we made for a quick exit, which is thus foiled. Kiara being a forward kind of woman who knows what she wants, literally, takes matters into her own hands. It’s such a hard life at Club.

What our well-placed moles are telling us this month...

DOWN THE WIRE

FLASH GORDON!

Is my lippy straight?

Not quite a night at Madame JoJo's. 42-year-old Indiana man, James Reid-Sills, was arrested dressed up in the rather fetching frock of his alter ego 'Jessica', reportedly flashing his genitals to passing cars in order to celebrate Friday the 13th. Reid-

Sills was arrested at an intersection near his home and faces charges of public indecency. Sills is a registered sex offender, having served three and a half years of a seven year prison sentence. It's probably time for another short spell in the clink.

DRUG STORE!

Recently a charity shop in Seattle received an unusual donation. Unfortunately, the specialist item wasn't something they could re-sell. An employee at the unidentified store reportedly found 2.5 pounds of marijuana in the donation bin and immediately notified the police of the spliffing donation. Seattle police sent the item for destruction and released a help full notice:

Donating to thrift shops is a terrific way to give a second life to your well-loved velcro sneakers, keyboards or flannel zebra jammies. However, thrift stores cannot accept the following items:

- Tires
- Soiled mattresses
- Laptops
- Large bags of marijuana

HAMBURGLARS!

Taking pictures of your plunder is never the wisest thing. The four young men in question Instagrammed themselves with a \$120 hoard of fast food, purchased on a stolen credit card. A victim of a spate of break-ins at a hotel car park was alerted when the charge of \$120 from Carl's Jr. showed up on her credit card, and she informed the police.

After a bit of digging around the police traced a number plate belonging to the suspects and the Instagram account where the photo's had been published, and they were subsequently arrested. How about a sepia filter on your mug shot?
